1. Intellectual Property Rights Awareness Program

South Mumbai College promoting Awareness on INTELLECTUAL PROPERTY RIGHTS

The Internal Quality Assurance Cell (IQAC) of Maharashtra College of Arts, Science & Commerce and Dr. Rafiq Zakaria Centre for Post Graduate Studies & Research in association with the Ministry of Commerce and Industry, Department for Promotion of Industry & Internal Trade Office of the Controller General of Patents, Designs and Trade Marks, Government of India organized Intellectual Property Rights Awareness Program under National Intellectual Property Awareness Mission (NIPAM) on 21st September, 2022.

Intellectual property rights (IPR) refers to the legal rights given to the inventor or creator to protect his invention or creation for a certain period of time. These legal rights confer an exclusive right to the inventor/creator or his assignee to fully utilize his invention/creation for a given period of time.

Universities and public research institutions are among the direct contributors towards innovation and research, particularly in emerging economies. Off late, the significance of Intellectual Property Rights (IPR) in higher education has been widely recognized. The principal of the college Dr. Sirajuddin Chougale reflected on the significance of Universities and public research institutions as direct contributors towards innovation and research, particularly in emerging economies. He further added, the potential pool of talent for innovation in these economies also emanates largely from educational institutions and research institutions; hence, the need of the time is to recognise Intellectual Property Rights (IPR) in higher educations.

The resource person of the program was Shree Suman Sil, Examiner of Patents & Designs in Patent Office, Kolkata under Ministry of Commerce & Industry, Govt. of India. Starting with the history and origin of IPR, he primary focused on the objectives of IPR towards promoting innovation and creativity, especially amongst entrepreneurs and in higher education institutions, steps to apply for it and the ways of protecting it.

The program had a very good response from both student and teacher communities and was strongly supported by the college management.

4. Awareness Program for Girl Students on Legal Awareness

The IQAC, Women Development Cell and Internal Committee in association with Mumbai Aman Committee - Ladies Wing organized a program for girl students. The speakers for the session Advocate Hurya Patel provided a presentation on easy steps for applying, updating, rectifying, linking and obtaining important documents like PAN Card, Aadhaar Card, Passport, Domicile etc. Mrs Munira Gigani explained to the girls the ways to achieve success through loving and respecting parents, putting in hard effort, and setting objectives and achieving them with sincerity and determination. She gave them advice on how to become a successful person by being passionate and committed to their

goals and avoiding distractions. Ms Gazala Aazad discussed the necessity of self-defense and provided some demonstration tips. She mentioned how ladies should be cautious and vigilant while exchanging personal information with friends or on any internet platform. The coordinator of Aman Committee Mrs Zakiya Shaikh also enlightened about the activities conducted by them and encouraged them to join in the social cause. All the sessions were well received by the students, who engaged in lively discussion with the speakers. 78 students found the sessions to be very informative and enlightening.

Advocate Hurya Patel, Mrs Munira Gigani and Ms. Gazala Aazad Were the resource person for the activity.
