Quality initiatives by IQAC during the year 2018-19 for promoting quality culture

- A State level **workshop on New NAAC Guidelines was organized on1st December 2018** from 9 am to 2 pm inviting teachers from different colleges. 57inhouse teachers and 19 teachers from other colleges participated in the workshop and benefitted from the presentations on new NAAC guidelines. Each criterion was presented through detailed explanation by each resource person. It was a learning experience for IQAC, Maharashtra College since the resource persons were members of college IQAC team. The purpose was to make all faculty members aware of the changes in the assessment and accreditation process. A prominent feature of workshop was signing of MOU with G. M. Momin College, Bhiwandi regarding student and faculty exchange programme. An additional session was conducted on Career Advancement Scheme for teachers.

- A **system for online admission and fee payment services was upgraded** in June 2018 to facilitate the admission process and reduce the burden of paperwork. This system helped in making the process smooth and in handling the admission rush. Storage of admission records became easier.

- An **Orientation Program for new entrants into Degree College** was organized by IQAC to acquaint students with the infrastructure, faculty, disciplinary rules, and existence of clubs/committees / associations in the college. They were also acquainted with subjects offered, examination system and various facilities available for the students.

- IQAC arranged **meetings with parents of First Year students** belonging to the faculty of Arts, Science, Commerce, IT, Computer Science and Management Studies. These meetings were scheduled before Semester One exams to orient the parents with changes in examination patterns at undergraduate level and to solicit their co-operation in upgrading the performance of their wards.

- IQAC conducted a **course in Value Education** during the academic year, 2018-19, consisting of a batch of 60 students. Through audio visual aids, the importance of values like honesty, patience, forgiveness and others were explained to the students. Assignments like visit to orphanages, old age homes were given to sensitize students to the problems in society.With the support and encouragement provided by IQAC, the Department of Computer Science ran a **course in Microsoft Ethical Hacking**, an attempt to combine academics and skills with ethics.

- **Certificates of appreciation** for teaching and non-teaching staff were distributed by IQAC to provide motivation. Those putting in sincere efforts in accomplishing their tasks and fulfilling their responsibilities were identified and felicitated.

- IQAC was instrumental in introducing **Mobile Application and web-based information system**, POWERSTUDENT in the college. It facilitates faster information flow within the institute and from the institute to other stakeholders.

PowerStudent
Bridging the gap...

Mobile Application & Web Based Information System

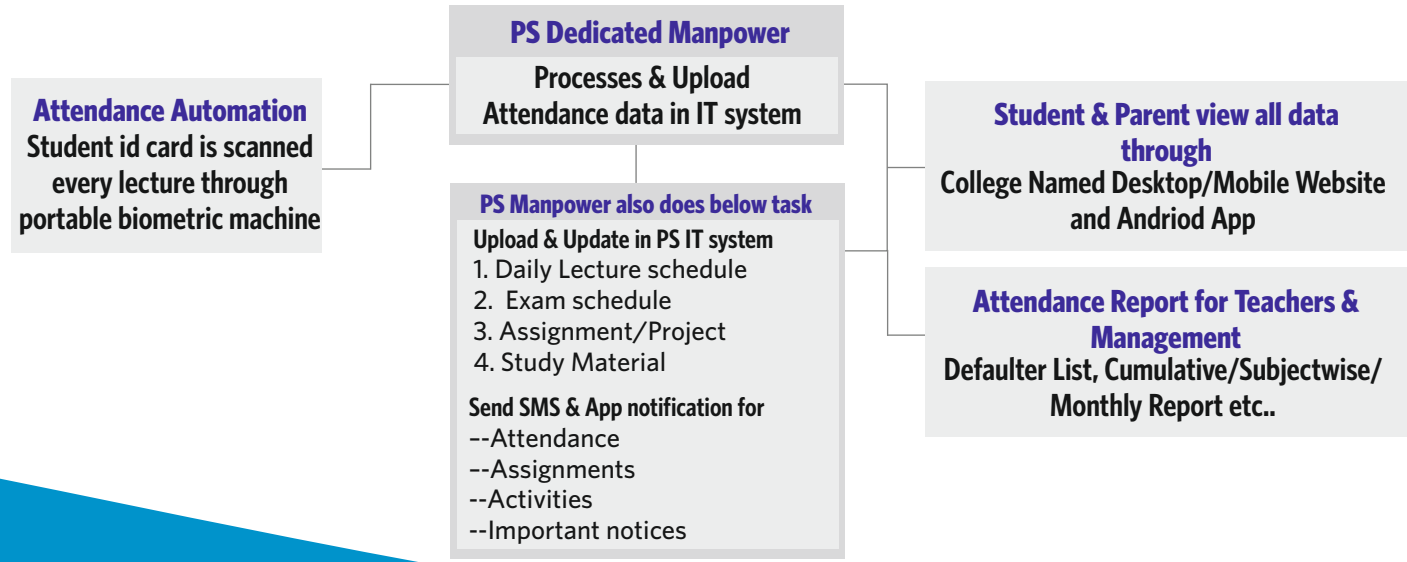

What is PowerStudent?

PowerStudent is an Information system which gives day to day details on the finger tip of Parents & students.
Power Student is what future demands from our education system, faster information flow from Educational institutes to parents . Whether you're busy with your work or family to give attention to your child's day to day performance or having real-time information on the student fingertips. PowerStudent is the perfect tool for the same.

PowerStudent Key features :

• Attendance Automation through Scannable Student ID Card and portable biometric machine.
• Information system which allows Parents to check students Student attendance, Daily Lecture schedule, Exam schedule, Study material at comfort of their home 24x7.
• Desktop Website + Mobile Website + Android Mobile App in name of College for Parent and Students.
• App notification & SMS to Parents or Students for Attendance/Assignments/Activities/Important notices.
• Customized attendance reports (Defaulter list, Cumulative/Subject wise/Monthly reports etc..) for Teachers/Management.
• Dedicated Manpower stationed at College for Professional & Time bound Backend services (Data processing/Upload/SMS service) for entire contract period.
• PowerStudent Empowers institute to stand out in NAAC assessment & accreditation contributing in IT infrastructure and Learning resources & Innovations and Best practices.

Portable Biometric machine

Scannable Student ID Card

Attendance Automation & SMS Service

Dedicated Manpower for Backend

PS Information System

Desk/Mob Web + Andriod App

How it Works?

Attendance Automation
Student id card is scanned every lecture through portable biometric machine

PS Dedicated Manpower
Processes & Upload
Attendance data in IT system

PS Manpower also does below task
Upload & Update in PS IT system
1. Daily Lecture schedule
2. Exam schedule
3. Assignment/Project
4. Study Material

Send SMS & App notification for
--Attendance
--Assignments
--Activities
--Important notices

Student & Parent view all data through
College Named Desktop/Mobile Website and Andriod App

Attendance Report for Teachers & Management
Defaulter List, Cumulative/Subjectwise/ Monthly Report etc..
