Where more girls can play sports, even with a hijab

AFIFA SHAIKH | 19

Boxer & BSc student, Maharashtra College, Mumbai

I hope more girls are encouraged to choose a career in sports. I'm fortunate to have supportive parents, and I participate in boxing bouts wearing hijab. But hijab is not a hurdle, it is a part of my culture. I hope all parents will treat their daughters on a par with sons and dream of an India where women get enough opportunities to be empowered educationally and financially.

Extension of Annual Maintenance Service Contract of 32 C.C.T.V. Camera systems installed in the **Aided Section** of the College (Main Building) with **M/s. Syscon Computers, Kurla...**

We had installed 32 CCTV Camera systems in Main Building. This year in our College and the warranty period of the same has expired on 30th November, 2021. Hence, we have to make A.M.S.C. (Comprehensive) 32 C.C.T.V. with the **M/s. Syscon Computers**, who have supplied and installed the said C.C.T.V. cameras in our College.

As per discussion in meeting rates are to be cut down to 50% due to COVID-19 pandemic and period of service is to be kept with financial year term. Therefore they have submitted their revised quotation for extension of their existing Comprehensive Maintenance Contract which is expiring on 30th November, 2021, extension for the period of **4 months** only i.e. from **1st December, 2021 to 31st March, 2022** for **Rs. 3,333/-** only. As their rates are reasonable (50% decrease due to Covid-19 pandemic) and services are satisfactory, we may approve their Contract accordingly and the calculation of extension of AMC as under:-

The total AMC amount Rs. 20000/-

50% on total AMC i.e. 20000/- X 50% = 10000/- / 12 months = Rs. 833/- per month

Extension of AMC 4 monts X 833/- = Rs. 3333/-
